

Maths

Spring 2 In maths we will count to 50 and beyond, forwards and backwards, beginning with 0 or 1, or any given number. We will count, read and write numbers to 50 in both numerals and words. We will also learn how to measure, lengths and heights. Weigh using words heavier, heaviest, lighter and lightest and begin to show our understanding in our recordings.

English

Spring 2 In English this half term we will be using the non fiction text *The Big Book of the Blue* by Yuval Zommer. We will use this text as a focus point for our information poster. We will learn how to write a recount and base this on our a school trip.

PSHE - Friday

Spring 2 - This half term we will be focusing on a Healthy Me. We will learn how to keep ourselves healthy through food, and exercise but also mentally too. We will learn how important it is to make healthy choices and the importance of keeping ourselves clean. We will also be learning how to stay safe when we're out in the community.

Computing - Monday

Spring 2 - This term our topic is *We are painters*. We will look at characters from traditional tales, plan our picture and write keywords. We will then learn how to create our picture and edit each other's pictures. Finally we will make our eBook and review our eBooks to make them even better

History/Geography - Tuesday

Spring 2 - Children will develop an understanding of the United Kingdom. They will identify the four different countries and capitals and identify famous landmarks of these countries and capitals

Art and Design Technology -Friday

Spring 2 This unit is based around the artist Paul Klee. They will have a knowledge and understanding of his abstract art work and his work using chalk. They will create their own Paul Klee inspired art pieces.

Science - Thursday

Spring 2 - During this half term, the children will be exploring everyday materials. Children will explore the best use of different materials depending on the purpose of the item/object.

Religious Education - Wednesday

Spring 2 - This half term we will be learning about Salvation and the Easter story. We will gain an understanding as to why Easter is a very important time for Christians around the world.

Physical Education - Monday and Wednesday

Spring 2 - This half term we will be learning about striking and fielding. We will experience working with a variety of equipment and to develop our skills leading to co-operative play. In all games activities, we will learn core skills relevant to striking and fielding games, including sending, receiving, batting and bowling & chasing. We will begin to make use of space and start to think about outwitting an opponent.

Music - Wednesday

Spring 2 - This term our topic is called *Round and Round* we will revisit different types of music which we have listened to previously and compare them with some new style and genre of songs. We will learn more about the tempo, pitch, beat and rhythm through a range of various songs. We will then learn about improvisation and create our own song.
